# 2017 Street Improvement Project meeting

The City of Howell and HRC (Hubbell, Roth & Clark) are in the final design for the 2017 Street Improvement Project. The project will consist of Gregory Street from Washington to Brooks and Crane Street from Center to Jewett.

The City of Howell & HRC would like to invite the neighborhood to a meeting on site to gather input from residents within the area, go over the plans and discuss the process and timeline of construction. The meeting is scheduled for **JUNE 6TH, 2017 AT 6 PM**, and it will be held at the intersection of Crane and Gregory, (rain day location will be the DPW, 150 Marion Street). Those that cannot attend can call or email Erv Suida or Matt Davis for information.

Design for this area includes utility upgrades of both water and sewer and minor storm water improvements.

**PLEASE ADD THIS DATE TO YOUR CALENDAR**

**GREGORY & CRANE STREET IMPROVEMENT MEETING**

**JUNE 6, 2017 AT 6PM**

**AT THE INTERSECTION OF CRANE AND GREGORY**
